

FPI Testers by Food Perspectives Inc.

Taste Food. Get Paid.

***TASTE FOOD, GET PAID AND RAISE MONEY FOR
CEDAR ISLAND ELEMENTARY PTO!***

We are Food Perspectives (FPI), and we need kids AND adults to participate in upcoming taste tests. Being a taste tester is fun! Try new products, share your opinions, and raise money for your organization! Every time you participate in a taste test, you get paid, plus Cedar Island Elementary PTO receives \$10. How easy is that?

Interested? Go to www.fpitesters.com. Click on 'Become a Tester' and complete the online sign up form. Parents sign up first, and then sign up your kids. FPI never contacts children directly. All recruiting and scheduling is done through the parent. Be sure to click on Cedar Island Elementary PTO in the Organization field of the sign up form.

As tests become available, FPI will send you email surveys. When you qualify for one of our tests, you will be scheduled for a specific date and time session. Driving directions will be provided. We offer day and evening testing sessions and several tests sites across the Twin Cities metro area. Plus, bring along the coupon below to your **FIRST** test and receive an **additional \$5!!**
